SUNTHO TEAO

*American Field Service
Foreign Exchange Student
To Lincoln High School*

Suntho came to Lincoln as an exchange student from Phnom Penh, Cambodia. His stay was cut short because of an illness.

Although Suntho quietly strolled about the halls of Lincoln, he added much dignity with his background, knowledge, thoughtfulness, and sincerity.

Suntho's ambition is to be a civil engineer so he can serve his country in a much needed capacity. It is his hope to return to the States a second time to pursue technical studies.

Since we did not have a chance to bid you good-bye Suntho, we are now saying that farewell. We hope that you return to our country someday. In the meantime we pray that every blessing will be yours.

WHY DON'T YOU

LOOK INTO THE EQUITABLE?

When you're starting out in business you want to affiliate yourself with a good sound company and one that has the interest of its employees at heart. Here at the Equitable Life of Iowa you work in pleasant surroundings among congenial people — all friendly and helpful. Then too, there are so many things

done to build up the right mental attitude and to keep morale high. Twice a day for instance, a coffee cart visits each floor of the building with hot and cold beverages and pastries. There are regular paid vacations, salary increases and all kinds of opportunities for advancement in your position with the company. Also there is a complete medical service room with an attendant

nurse for little ills and discomforts and a generous sick leave plan, too. Why don't you look into the Equitable — ask for Miss Bush at the Personnel Office, 1317 Equitable Building, and discuss the opportunities that exist for you.

Auditorium, April 9. Bob Silverthorne, Jim Cleveland and Larry Luick entered a ballistic experiment.

Linda Lewis and David Caskey were chosen by the journalism 2 class to model the Younkers ad that appears in this book.

We'll never forget Suntho Teao, Cambodian foreign exchange student who was a nice part of our lives during our senior year.

"May" was the theme of the 12A informal dance held on Friday, May 6 from 8:00 p.m. to 11:00 p.m. in the cafeteria.

Our senior class banquet was held at Younkers on May 31.

The seniors held their formal at the Val Air Ballroom on June 3.

The baccalaureate and parent tea took place in the Lincoln auditorium on June 5 at 3:00 p.m.

Class day was held on June 7. After participation in the program, we received our class ribbon and roses.

Commencement was held June 9 at 8:00 p.m. in the auditorium. Although we had some regrets in leaving Lincoln High, we know we have many fine memories of our past six years and we feel that we are ready to face the many responsibilities which we will encounter in the future.
